Tonight the Worcester Chapter of the American Guild of Organists celebrates April as National Volunteering Month by honoring local community volunteers who are often the backbone of non-profits. Worcester AGO is comprised solely of volunteers who help further the cause of bringing quality music into our community. Along with the Joy of Music Program and Worcester American Red Cross, we honor and thank all those who so willingly give of their time and talents to make our community a better place and improve the quality of life for those who live here.
