Voting for Operating Procedures Approval: April 4-April 14

Please cast your ballot below by entering EITHER your National AGO ID number or your email address (this is to confirm that people don't vote twice, and that they are valid WorcAGO voting members in good standing).

Dual Members ARE eligible to vote.
Friends/Subscribers of WorcAGO are NOT eligible to vote.
Invalid/expired members' ballots will NOT be counted.

Your Executive Board recommends a vote to APPROVE the 2018 Operating Procedures. The current operating procedures (bylaws) were last updated in 2004 (14 years ago). The new ones are based on the current National AGO template, and bring us up to date, and clarify a few ambiguities.
